

COVID-19 Update: 03-12-2020

Dear Stone Academy Community,

As a follow-up to yesterday's communication I would like to announce that Stone Academy will cancel classes starting tonight and continuing through Saturday, March 14, 2020 to allow faculty to develop lesson plans for students to take home.

This is not in response to an identified exposure or risk, but rather to ensure that Stone Academy has the opportunity to provide academic continuity should the public health situation regarding COVID-19 continue to develop.

Cancellations will be posted in the same fashion as storm closings, so please check your local news station for any updates.

I appreciate your patience as we navigate a truly unique and evolving situation in an effort to continue providing academic progress while respecting the health and well-being of the entire community.

The campuses will remain staffed and open, so please do not hesitate to call with any questions you may have.

Sincerely,

Joseph M. Bierbaum
President
